

## ***WHO WE ARE***

Waverly Place Gourmet is your premiere source for gourmet foods, from indulgent chocolates to hand-picked fresh fruits. Our experts have honed their palates working with New York's finest restaurants and boutique gourmet shops for the past ten years. We've taken everything we've learned and located the very best gourmet foods available today. Our repertoire includes exquisitely decorated cookies, truffles to make your toes curl, and freshly roasted nuts and trail mixes. Our turtles, caramels, and chocolate-covered pretzels are so magnificent that our customers tell us they'll never eat anyone else's again.

From pate de fruit to pastries, we hold everything to an unwavering level of quality. Our foods are made from the purest, simplest ingredients possible. Every mouth-watering bite is natural, preservative-free, and fresh (never frozen!) You'll never get a mediocre product from us - nothing can compel us to sacrifice taste. If we can't find an item that meets our exacting standards, we simply won't carry it.

## ***OUR SERVICES***

We know food, and we love bringing the best flavors in the world to you. But we also know the value of incomparable service, and we hold ourselves to the same high standards we keep for our foods. These are the principles we've been guided by in all the years we've been doing business, and we continue to uphold them today, whether you're interested in our gifts, personal shopping, or event planning.

You may know Waverly Place Gourmet best through our gift baskets. Our corporate gifts and baskets can be tailored for a variety of tastes and occasions, and make a lasting impression every time. We specialize in customization, from the simple to the complex. Gold and crimson ribbons on your baskets? Certainly. Your corporate logo on a decorative (and still delicious) cookie, or molded into a chocolate bar? No problem. Need a kosher, nut-free, gluten-free basket, and it has to be there tomorrow? Absolutely! Our shipping and logistics are unmatched, and we'll make sure your packages get there on time and in good shape.

Our gifts go beyond generic seasonal offerings, as well. A specialized greeting is more special when it includes our hand-dipped turtles, and a basket of our truffles and salted caramels is better than any thank-you card. Our staff designers and logistics specialists will work with you to make sure your order perfectly suits your need. Need more convincing? Schedule us for a tasting so you know exactly what you're buying. It's on us.

But we also know that sometimes, even the best gift sets won't do. For those

times, we offer our exemplary personal shopping. Tell us what you need, and we will make it happen. Whether it's an impromptu golf outing, a case of Cuban cigars, or a great day at the spa, nothing is out of our reach. We can even help you if you don't know what you're looking for. Just tell us about the occasion and we'll help you find the right gesture.

We can even plan your special events for you, from the venue and menu to the music and flowers. Whether it's a corporate holiday party, a baby shower, all you have to do is enjoy yourself. And look out for our catering service, coming soon.

### ***OUR HERITAGE***

Our roots in Greenwich Village, a quaint neighborhood in New York City, have taught us the value of simplicity and attention to detail. In the middle of the 19th century, the literary stars of the age gathered on Waverly Place to share their thoughts. These notables included Herman Melville, Washington Irving, Ralph Waldo Emerson - it is even said that Edgar Allen Poe first recited 'The Raven' here, to the delight of the assembled guests.

Today, this picture-perfect neighborhood is still marked by rows of leafy boughs, aged brick facades, and curling wrought iron. To the casual glance, little has changed here in over a century. At Waverly Place Gourmet, we want to bring the feeling of Waverly Place to you: timeless, tasteful, and maybe even a little inspirational.
